PETITION UNDER 37 C.F.R. § 1.84 TO ACCEPT COLOR DRAWINGS IN A PATENT
APPLICATION

Federal Way, Washington 98063-9777
March 31, 2004

TO THE COMMISSIONER FOR PATENTS:

Applicants respectfully petition the Commissioner for Patents to accept the color drawings submitted as formal figures for the above-identified patent application, the application being filed simultaneously herewith. The subject matter of the present invention is directed to processing and printing color images. As such, it is not possible to illustrate the methods of the present invention and the corresponding results so achieved entirely in black and white drawings. Thus, Applicants respectfully assert that color drawings are the only practical medium by which to disclose such subject matter.

The application contains the statement required under 37 C.F.R. § 1.84 that the drawings are in color and that color drawings are available in the printed patent only by payment of the required fee.
